Experience

Acollective Studio | Co-founder, Industrial Designer

San Francisco, CA | Oct 2021 - Present

An industrial design duo crafting delightful, intentional products with deep consideration to the product's user and environment. Freelancing while crafting experimental products to bring to production.

Aruliden | Industrial Design Intern

San Francisco, CA (Remote) | Jun 2020 - Jun 2021

Designed consumer tech, wearables, and smart furniture with a focus on form, UX, product architecture, and manufacturing feasibility. Created CAD and renders for presentations to clients (Google, Verizon, Fi, and startups). Worked around complex internal product components.

Republic of Korea Army | Sergeant

South Korea | Sept 2017 - May 2019

Mandatory two years of service.

ACCO Brands | Industrial Design Intern

Lake Zurich, IL | Jun 2017 - Aug 2017

Generated innovative concepts through research, sketches, and CMF within existing brands with a focus on form, function, and aesthetics.
